

ABPS Disaster Medicine Certification Application

Before beginning your application, [Click here](#) to review the eligibility requirements.

Below is a list of the documentation you must upload as part of your certification application.

Required for all eligibility pathways:

- Documentation of completion of FEMA Emergency Management Institute Courses: IS-100.b; IS-700.a; IS-200.b; IS-800.b
- Certificate of completion of a minimum of 50 hours of disaster medicine related, AMA Category 1 CME earned within the last 2 years
- Current/Up-to-date CV
- Photo of Applicant
- National Practitioner Databank Report (NPDB) Report
- 3 Letters of Recommendation (letter writers must hold current medical board certification through either ABPS, ABMS, AOA, RCPSC, or CFPC member board). Letters must be on letterhead, have original signature and indicate the author's current board certification. Letters should be uploaded by the applicant into the ABPS online application.

In addition to the above, documentation required for individual eligibility pathways:

Pathway 1 - Fellowship: Copy of certificate of completion

Pathway 2 - Field Experience: Submit summary of the nature & scope of each deployment along with documentation of participation and length of deployment from an appropriate representative of the agency.

Pathway 3 - Training & Community Engagement: Submit certificate of completion/verification of:

- BDLS
- CDLS
- ADLS (or participation in a functional of full field exercise); **AND**
- Documentation verifying a minimum of one (1) year's active participation on a national, state, regional, county, hospital, or healthcare agency or facility disaster committee.
