

ABPS Family Medicine Obstetrics Certification Application

Before beginning your application, [Click here](#) to review the eligibility requirements.

Below is a list of the documentation you must upload as part of your certification application.

Required for all eligibility pathways:

- Current/Up-to-date CV
- Photo of Applicant
- National Practitioner Databank Report (NPDB) Report
- Copy NRP & ALSO Certifications
- Validated Case Log (must be externally validated by either the medical records, medical office staff, medical director, department chair or program director. Must be presented in a format that clearly identifies the number of deliveries by type and year (e.g. 2022 10 c-sections and/or 25 vaginal). The verification must also clearly indicate that the applicant was the primary physician during the delivery.
PLEASE NOTE: Case log for FMO (Non-Surgical) applicants must demonstrate a minimum of 60 vaginal deliveries (15 of which were performed in the past two years). Case log for FMO with surgical qualifications must include the 60 vaginal plus a minimum of 70 C-Sections (10 of which were performed in the past two years)
- Submit the contact information of two active Diplomates of an ABPS, ABMS, or AOA-recognized board of certification who have observed and can attest to the applicant's competency to provide obstetrical care.

In addition to the above, documentation required for individual eligibility pathways for FMO with Surgical qualification certification:

Pathway 1 – Clinical Pathway – None, other than case log

Pathway 2 – Fellowship – Copy of certificate of completion or signed letter of verification by the fellowship director attesting to satisfactory completion or progress in the program if not yet completed.
